PROFILE SUMMARY

Computer Science undergraduate with a strong foundation in **Data Structures & Algorithms** and **hands-on web development**. Experienced in building and deploying end-to-end web applications using **Java, JavaScript, and Firebase**, with a focus on clean logic, scalability, and real-world problem solving. Actively strengthening algorithmic thinking through consistent **LeetCode practice** and project-based learning.

EDUCATION

K L University, Aziz Nagar, Hyderabad, India

Bachelor of Technology – Computer Science Engineering

Expected Graduation: **July 2028**

CGPA: 9.78

PROJECTS

Quiz Portal Web Application

- Designed and developed a **timed, subject-wise quiz platform** with user authentication.
- Implemented **scoring logic, countdown timers, and state management**.
- Used **JavaScript, HTML, CSS, and Firebase** for backend services and deployment.
- Focused on clean implementation, edge-case handling, and user experience.

ACADEMIC & SELF-DRIVEN EXPERIENCE

Software Engineering Projects | Remote | 2024 – Present

- Built multiple academic and self-driven software projects emphasizing **problem-solving and logical correctness**.
- Developed web applications involving **authentication, timers, scoring systems, and data persistence**.
- Applied **DSA concepts learned from LeetCode** to real-world application logic.
- Iteratively improved code quality through testing, debugging, and feedback-driven refinement.

TECHNICAL SKILLS

- Programming Languages:** Java, JavaScript, C, C++
- Web Technologies:** HTML, CSS
- Core Concepts:** Data Structures & Algorithms, Problem Solving
- Development:** Web Application Development, Firebase
- Tools & Practice:** GitHub, LeetCode

ADDITIONAL INFORMATION

- Open to **Frontend / Software Engineering Internships (2025)**, including remote and on-site roles.
- Strong preference for environments emphasizing **clean code, hands-on development, and problem-solving**.
- Continuously improving algorithmic thinking through structured practice and project-based learning.
